- **Location:** Bale, Robe, Ethiopia

## EDUCATION

---

Education Bachelor of Science in Computer Science  
Madda Walabu University, Bale Robe, Ethiopia Expected  
Graduation: 2026

## PROFESSIONAL SUMMARY

---

### PROFESSIONAL SUMMARY

I am a skilled frontend developer specializing in **React.js**, **TypeScript**, and **JavaScript**. I have experience building responsive, user-friendly web applications with modern technologies. My expertise includes creating interactive UI components, optimizing performance, and delivering seamless user experiences. I am passionate about writing clean, maintainable code and continuously improving my skills in frontend development. Available for both on-site and remote work.

### PROJECTS

- **E-commerce Website**
  - Developed a fully responsive e-commerce website using **HTML**, **CSS**, and **JavaScript**.
  - Integrated dynamic product galleries and shopping cart functionality.
- **Game-Hub**

- Built using **React** and **TypeScript**, ensuring a robust and type-safe development environment.
  - Leveraged **Chakra UI** for styling and component design, providing a modular and customizable UI framework.
  - Created a responsive, user-friendly interface with clean, organized game categories and features like sorting and filtering.
  - Ensured a modern, visually appealing design while maintaining a seamless browsing experience across devices.

## CERTIFICATION

---

[Web Programming Certificate \(HTML, CSS, JavaScript, DOM\) – Udacity](#)
